Dear Mr. Rajagopalachari,

With reference to the conversation that we had sometime back regarding the shifting of the Veda Patasala from the Shankar Mutt building wherein it had been temporarily located to some other Government or rented building, I write to state that the Patasala has now been shifted from the Shankar Mutt building to a rented building in the Basavangudi extension. As this building is however, not centrally situated, it is under contemplation to remove it to the Shivaganga Mutt building at Chamarajapet which is likely to become available for rent as it is proposed that the minor Swamy of this Mutt should take his residence at Shivaganga for some time, or if this building is not available, to some other suitable building in a central locality.

A representation has been made that the Pata-

My Dear Mr. Srinivasiengar,

I write to acknowledge with thanks the receipt of your kind letter of the 27th October 1925 regarding the Veda Patasala and to say that it was duly submitted to His Highness. In this connection I am desired to ask whether there is any insuperable difficulty in locating the Patasala in the original building where the Chamarajendra Sanskrit College is being held. The Patasala as well as the College was originally started in memory of His late Highness Chamaraja Wadiyar and it would be in the fitness of things if the Patasala is continued intact in the same place. As regards the designation of the Patasala, His Highness would much prefer that the Patasala whether situated in the original building or elsewhere, continues to bear the name of his revered father in whose memory it was established.

Yours sincerely,

Bangalore, dated 22-12-1925.

My dear Mr. Rajagopalachari,

I am in receipt of your D.O. No.22/4 of the 2nd instant regarding the Veda Patasala at Bangalore. I request you to kindly submit to His Highness our humble and grateful thanks for the gracious permission accorded by him to have the Veda Patasala called after the revered and august name of His late Highness Sri ~~Chamaraja~~ Chamarajendra Wadiyar Bahadur.

With regard to the location of the Patasala in the same building as the Chamarajendra Sanskrit College, I find that there are some practical difficulties in the way. The Sanskrit College having been thrown open to non-Brahmins, if the Veda Patasala is located in the same building, it may be difficult to keep out the non-Brahmin students of the College from the non-Brahmin occupied Patasala; and they may even claim admission to the Veda classes, which will be a source of future -

App. h.

embarassment and trouble. Further, the Patasala is under the control of the Muzrai Commissioner while the Sanskrit College is under that of the Inspector-General of Education; and each has a separate committee of management, the committee of the College consisting of both Brahmins and non-Brahmins members while that of the Veda Patasala has only Brahmin members on it. The Muzrai Commissioner whom I consulted is also of opinion that for reasons mentioned above the location of the Veda Patasala in the Sanskrit College building is ~~neither practicable~~ nor desirable under present conditions. I request you to kindly submit these facts to His Highness and ~~communicate to me~~ favour me with his further orders in the matter.

Yours sincerely,

I herewith enclose for your perusal a copy of the D.O. letter which I received from Mr. S.P. Rajagopalachari regarding the Veda Patasala at Bangalore. OFFICE OF THE REVENUE COMMISSIONER
IN MYSORE.

Bangalore....4th January.....1926,

Dear Mr. Srinivasa Iyengar,

Referring to your D.O.letter no.I 155/25 dated 9th - December 1925, I write to inform you that I have considered over the matter of locating the Veda Patasala in the Sri - Charmarajendra Sanskrit College building and come to the -- conclusion that it is neither convenient not advisable to do so. No accommodation in the main building is available and even when the Veda and Prayoga sections had remained -- attached to the College, the classes were being held in the arsenal and it is not suited for holding any classes therein. The rooms are not only ill ventilated but the roofing is so low that it very much disturbs the recital of Veda and ---- Prayoga mantras at one and the same time. Locating these -- classes once again in the College which has been thrown open to all communities, is sure to give room to unnecessary ---- friction and the question of admission of students of other communities is sure to arise. More-over, the Veda classes will be subject to dual control and this will not be conducive to good and organized discipline. For these reasons, I am of opinion that it would be in the best interests of the -- Institution if it is held in a separate building altogether.

App r. I

There is no other building in any central locality which could be made use of for holding the Veda classes. All things considered, the Sivaganga Matha building seems to be the best suited as it will very well serve both as --- Patasala and Students' lodging. The matha committee are agreeable to the Swamy's permanent stay at Sivaganga and to let out the building for a monthly rent of Rs.75/-. Considering the situation of the building and the conveniences it commands, I think that the rent demanded is not exorbitant. In its present depleted financial condition, Rs.900-0-0 a year will be a welcome addition and it will go a great way in helping the Swamy's education and in wiping the debit balance standing against the Institution. I have solicited orders of Government in this matter in another connection to-day.

The Patasala wherever situated may appropriately be called after the name of His Highness the late Maharaja.

Yours sincerely,
C Balasundaramiyer
